

TREN21 Renault Master Van Single Rear Wheel 840mm Wide Chassis XDD 2025>

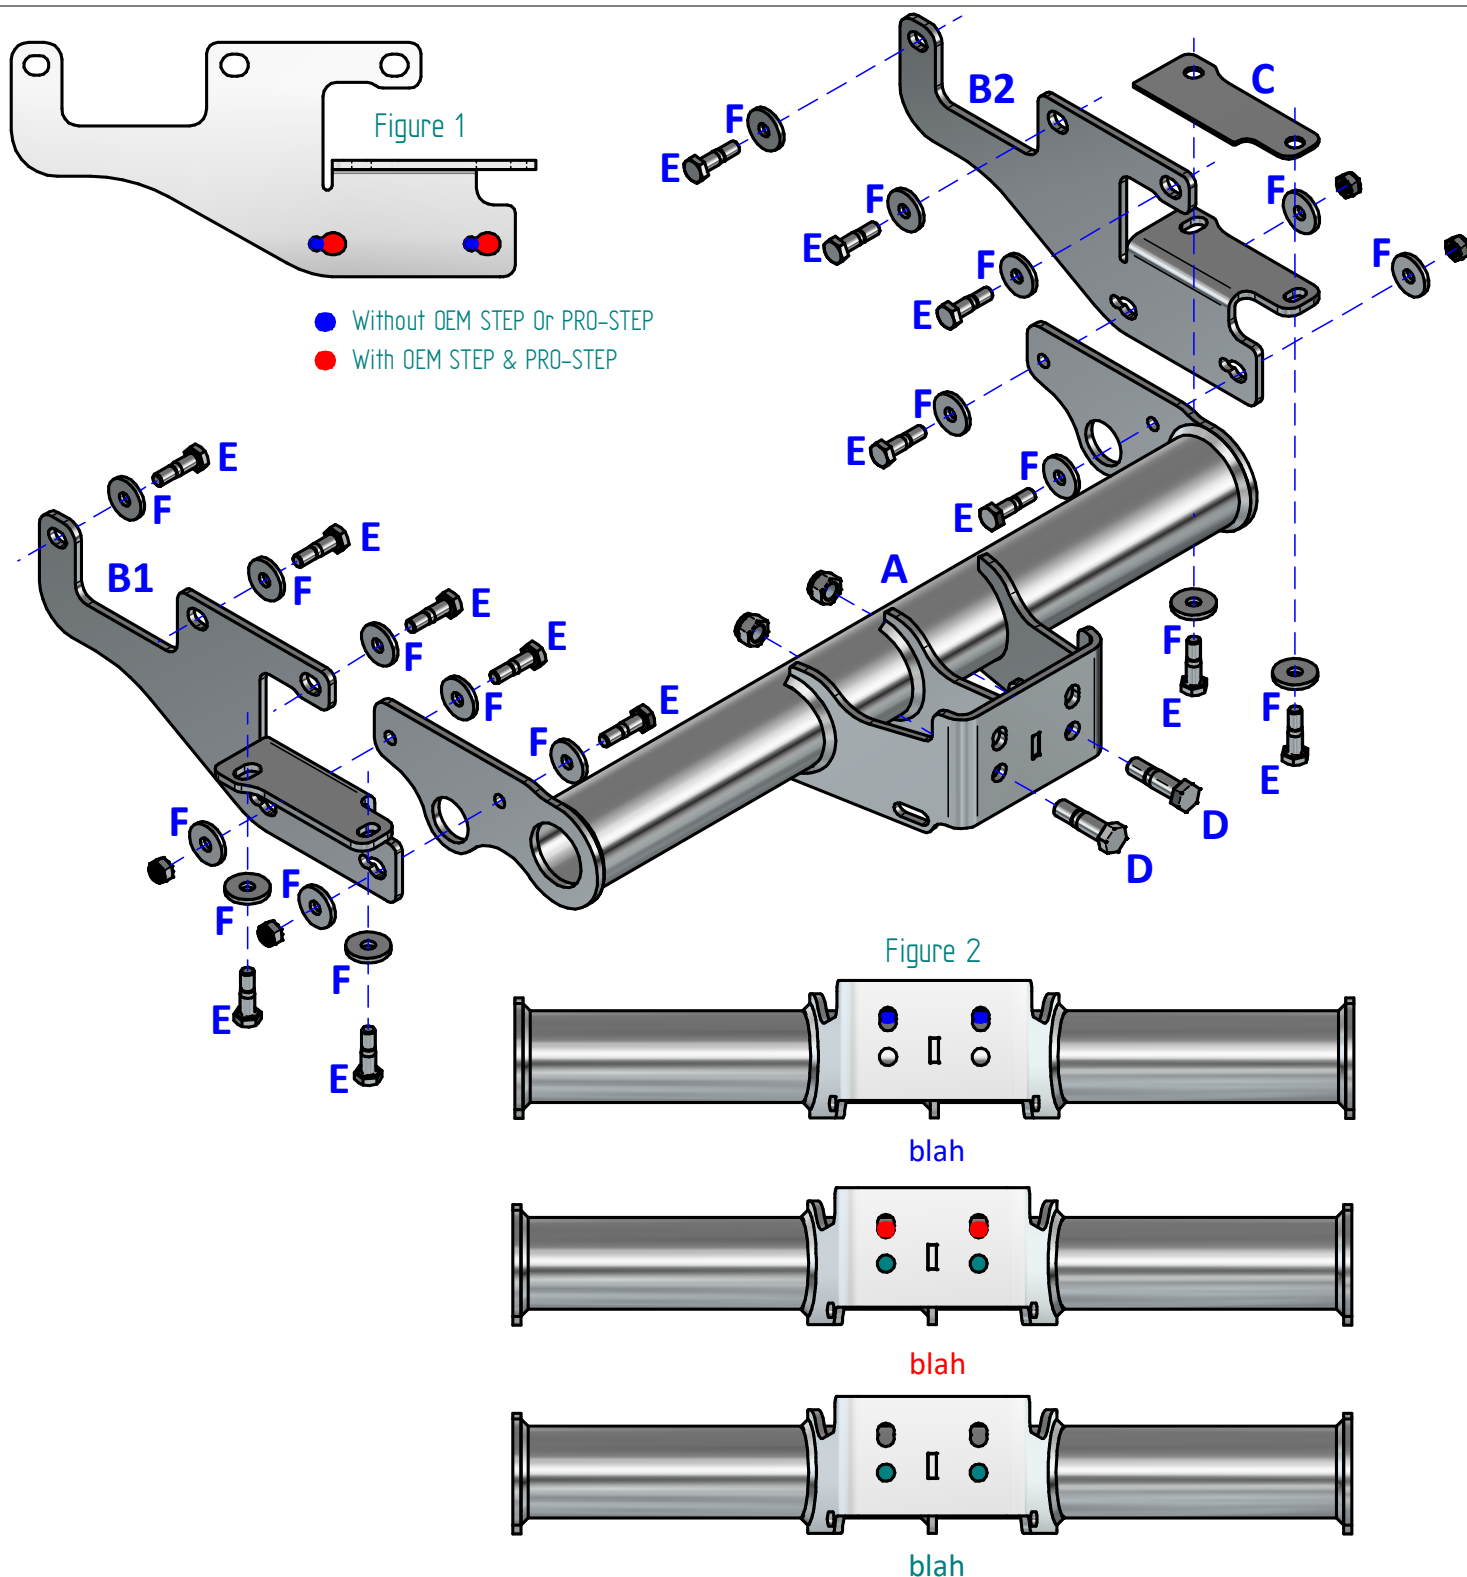

Item	Qty	Description	Item	Qty	Description	Torque Setting
A	1	TREN21 Crossbar Assembly	D	2	M16 x 60 Bolts & Nyloc Nuts	215 Nm
B1	1	Left Hand Side Arm	E	14	M12 x 45 (10.9) Bolts 10 S/P Washers & 4 Nyloc Nuts	130 Nm
B2	1	Right Hand Side Arm	F	18	12 x40 Flat Washers	
C	1	Spacer Plate				

Preparation For Installation (OEM Step Models Only)

1. Remove the middle and lower fixings from the mudguards if installed. The top fixing remain in place and the mudguards will remain attached to the bumper when removed.
2. Remove the remaining two fixings if the vehicle had mud guards or three fixings on vehicles without separating the wheel arch trim.

Towbar Installation For All Models (With & Without OEM Step)

- Using **Figure 4** as a guide loosely assembly Item **A** with items **B1, B2, C1, C2, D1** and **D2** using items **K** with items **M**.
- Using **Figure 5** as a guide slide the assembly into the chassis opening and loosely fix in place items **B1, B2, C1** and **C2** in place using items **J** with items **M** into the rear panel mounting points.
- Using **Figure 5** as a guide loosely fix items **D1** and **D2** using items **L** with items **N** into the vertical mounting points.
- Loosely fix item **E** to item **A** on the correct setting for the vehicle as shown in **Figure 3** using items **G** with items **M** and item **H** with items **M** ensuring item **T1** is fitted as shown in **Figure 6**.
- Using items **F** secure your desired ball bracket and wiring plate (Not supplied in this kit) to item **E** and fully tighten the remaining fixings.

Notes:

1. For Torque settings see the column next to each item in the list.
2. Nose load limits and vehicle manufacturer's trailer / caravan weight limits must be observed.
3. We recommend the use of PRO-TOW Couplings with all our products.
